**Table notes:**

This table is a guide to courses and admission criteria at the University of Sydney for entry in 2022. It is correct at the time of print and may be subject to change. For the latest course information, visit the University of Sydney 'Find a Course' website: [sydney.edu.au/courses](https://sydney.edu.au/courses)

For courses that have other admission criteria listed in addition to the GPA, including double degrees with progression requirements visit the 'Find a course' website for full details.

Assumed knowledge: For the courses listing equivalent subjects for University assumed knowledge, the University expects you to have reached a certain level of knowledge in the areas specified (eg. mathematics, physics, chemistry or biology) through your high school or preparation/foundation studies, before starting your university course. You can find course-specific assumed knowledge on the University's 'Find a course' website.

Refer to the intakes available for the University of Sydney courses as students must start the course of their choice in the immediate subsequent semester of completing the foundation/preparation program. A gap in the study period cannot occur.

**Key to symbols**

A & B - Part A and Part B must be completed.

A &/or B - Complete both Part A and Part B or choose either Part A or Part B.

Feb - offered in the February semester only. Feb/Aug - offered in both the February and August semesters.

+ Students commencing combined law degrees in Semester 2 (Aug) will not be able to start the Law component until Semester 1 (Feb) of the following year.

\* These courses have a limited number of places and the GPA listed is the minimum to be considered for an offer. It is possible that not all students will be offered a place or be able to accept an offer once course capacity is reached and may be offered an alternative course choice.

\*\* Dalryell Scholars stream - to study as a Dalryell Scholar in these courses you will need to apply to the specific course with the Dalryell stream. There are other Dalryell-eligible courses which are by invitation if you are eligible to receive an offer. For more information, visit: [sydney.edu.au/dalryell-scholars](https://sydney.edu.au/dalryell-scholars)

<sup>^</sup> HAPP students are required to note the University of Sydney assumed knowledge in making their subject selections. For more information, visit the 'Find a course' website: [sydney.edu.au/courses](https://sydney.edu.au/courses)

# Nursing pre-registration courses have English requirements set by the Australian Nursing and Midwifery Accreditation Council (ANMAC).

USFP students will be required to meet the IELTS requirement of an overall 7.0 with no band below 7.0 or other English language proficiency tests and results as indicated here: [sydney.edu.au/content/dam/courses/medicine-and-health/sns-english-language-declaration-form.pdf](https://sydney.edu.au/content/dam/courses/medicine-and-health/sns-english-language-declaration-form.pdf)
