7 General principles

- (1) The College will systematically monitor students' compliance with the student visa conditions relating to attendance over the length of each study period. It will be proactive in notifying and counselling students who are at risk of failing to meet the attendance requirements of at least eighty per cent of the scheduled course contact hours.
- (2) This notification and counselling will commence before the student's attendance falls below the 80% level for the designated study period. The student will be informed that if his or her attendance falls below the required level and compassionate or compelling circumstances do not apply, the student will be reported to DHA as a result of breaching visa conditions. If the student has questions about the student visa condition and the possible consequence of breaching the condition, the College will refer the student to DHA.
- (3) Attendance is monitored and reported by the College to DHA according to the requirements set out in Standard 8 of the National Code. The College will monitor attendance and will action intervention strategies where a student's attendance is at risk of falling below the minimum of 80% attendance.
- (4) The College regards a high level of attendance by each student as crucial to effective and active engagement in learning.

8 Records Management

Records in association with this policy will be kept in accordance with the Records Management Policy and Procedures. Confidential documents related to the implementation of the policy will be maintained according to relevant privacy requirements.

PART 2 - ATTENDANCE PROCEDURES

9 Attendance procedures

- (1) Teachers mark the class roll during or immediately after each lesson or excursion. Teachers on excursions mark attendance on hard copy rolls. The teacher in charge of an excursion is responsible for reporting absences of under 18 year old students to Student Support Services at both the start and end of an excursion.
- (2) Every Monday of term starting from the second week of term, the College generates a Student Attendance list for each program and intake. The weekly report shows the current and predicted attendance for the purpose of monitoring of student attendance.
- (3) Students absent for more than five consecutive lessons per subject, and parent/legal guardian if the student is under 18, are contacted by the College by various means.
- (4) Students with predicted attendance below 80%, or students absent for more than five consecutive days without approval of the College, will receive a Notice of Enrolment Cancellation for unsatisfactory attendance.
- (5) The student has the right to make an internal appeal (Phase 3) against the cancellation of enrolment decision, within 20 working days of receipt. Refer to the Complaints and Appeals Policy and Procedures for further information.
- (6) The student is expected to attend classes during the appeal process.
- (7) Students with a successful internal appeal will continue with an intervention plan for the next 10-week term or as required and their enrolment may be subject to additional conditions.
- (8) Students whose internal appeal is unsuccessful, and those who do not lodge an internal appeal within 20 working days of receipt of a Notice of Enrolment Cancellation, will have their enrolment cancelled. Student visa holders who have appealed internally will receive an NIR within 10 working days of enrolment cancellation and have the option to lodge an external appeal (Phase 4) within 10 working days of receipt of the NIR. Student visa holders who notify the College in writing that they are withdrawing from the appeal process will be reported to DHA. Non-student visa holders will receive a final notice confirming cancellation of their enrolment.
- (9) If an internal appeal process is unsuccessful, a student visa holder may be entitled to access a relevant external appeal process with the NSW Ombudsman or Overseas Students Ombudsman. Whilst an external appeal process is underway, the College will maintain the eCoE but is not compelled to continue teaching a student.
- (10) Student visa holders whose external appeal is unsuccessful, or who do not provide evidence to the College that they have submitted or intend to submit an external

appeal within 10 working days of receiving their NIR, or who have withdrawn from the external appeal process, will have their eCoE cancelled and will be sent a final notice of cancellation of eCoE.

- (11) If a student's external appeal is successful, the College will decide whether or not to reinstate enrolment. If the student's enrolment is not reinstated, their eCoE will be cancelled and they will be sent a final notice of cancellation of eCoE.
- (12) Where applicable, student visa holders reported to DHA with a cancellation of their eCoE will break their subsequent package of study with the University of Sydney. The University of Sydney will be advised accordingly and will take any necessary action in respect of an eCoE for their University of Sydney course.
- (13) All actions are noted in the College's SMS.
- (14) Former students may apply for readmission after at least one year, and with approval of the College Director or delegate.
