Guide 2027

TaylorCollege

The future is yours to define

Welcome to the University of Sydney

The University of Sydney has welcomed students from across the globe. We provide a nurturing environment to develop the skills, knowledge and influence our students need to become inspirational leaders in the communities we serve. I'm delighted to share that our university is ranked second in Australia by the US News Rankings and is placed among the global top 30 universities in the QS World University Rankings. This remarkable achievement is a testament to the dedication and excellence of our staff and students.

We are proud of the rich diversity of our student and staff community, which is matched by the exceptional range of courses we offer. Through the University of Sydney Foundation Program (USFP) and High Achievers Preparation Program (HAPP) – delivered by our partner, Taylors College Sydney – we provide pathways for ambitious students from all backgrounds to join our undergraduate degrees.

Diversity and inclusion are at the heart of our values, making us the chosen university for more than 34,000 international students, representing over 140 nationalities. I hope you will join us in 2028.

Professor Mark Scott AO
Vice-Chancellor and President
The University of Sydney

Ranked 2nd in Australia, 28th in the world

(US News Best Global Universities 2026-2027;
QS World University Rankings 2027)

Ranked 15th in the world for sustainability

(QS World University Rankings: Sustainability 2026)

31 disciplines ranked in the top 50 globally

The University of Sydney Foundation Programs (USFP) and University of Sydney High Achievers Preparation Program (HAPP) are registered on CRICOS by the University of Sydney (CRICOS Provider Code: 00026A, TEQSA PRV12057) and delivered by Navitas Australia Pty Limited (CRICOS Provider Code: 01682E) trading as Taylors College Sydney, on behalf of the University of Sydney.

"Education is your passport to the world, it grants you exposure to diverse cultures, an opportunity to gain valuable life experience and to seize the endless opportunities it offers. I hope you choose to come and study with us here in Sydney and look forward to offering you a very warm welcome to Taylors College Sydney."

Jane James, PFHEA
College Director

Welcome to Taylors College Sydney

As College Director, it is a privilege not only to be working with such an outstanding academic partner, the University of Sydney but also to meet and engage with such amazing students from a range of backgrounds who make brave choices to be an international student and pursue their passions. Our incredible alumni stories are testament to that.

Taylors College Sydney has partnered with the highly prestigious University of Sydney for over 25 years. During that time, thousands of students have successfully progressed from its Preparation Programs to undergraduate studies at the University of Sydney.

Taylors College Sydney students can choose from over 100 undergraduate degrees across a range of academic disciplines, allowing them to follow their particular interests as they transition to the University of Sydney. Taylors College Sydney students are University of Sydney students from the outset.

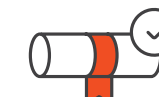

The Preparation Program upon which they embark, provides an opportunity for students to not only acquire knowledge, but also develop academic skills and graduate qualities needed to be confident learners and thrive in their chosen degree program at the University of Sydney.

Our experienced and caring team at Taylors College Sydney are committed to providing you with an outstanding student experience in preparation for your future studies.

I hope you choose to join us here at Taylors College Sydney and have the opportunity to make the most of a unique international study experience, and that we can truly make a difference to your future life choices and of course that you get to enjoy all that the amazing city of Sydney has to offer!

The University of Sydney

University Prepared

Tailors College Sydney ensures you're ready for academic success by preparing you for your university studies.

Our Preparation Programs will provide you with the personalised learning that will ensure that you leave with critical thinking, collaboration and communication skills. You'll take these skills with you to the University of Sydney where you will be ready for further academic success.

Our Preparation Programs are designed to provide a strong academic foundation, equipping students with essential skills and knowledge to excel in their chosen fields.

With a carefully crafted new curriculum that aligns with the University of Sydney's graduate attributes, you will be engaged with exciting concepts, innovative ideas and energised by the endless possibilities of where your new knowledge and curiosity will take you.

We are committed to fostering a supportive and inclusive learning environment where every student is encouraged to achieve their full potential.

"As Academic Director, it has been my privilege to see thousands of students flourish academically at Tailors College Sydney, enabling students to successfully progress to graduating well-prepared and confident to pursue their future studies at the University of Sydney."

Shannon Hutchinson
Academic Director

"Tailors solidified my understanding of fundamental concepts, which helped me transition smoothly into university courses. I would also highly recommend students to take full advantage of the tutorials provided, as they helped clarify questions I had during classes"

Howard Chin
Tailors College Sydney USFP student,
Student Representative Council (SRC)
President - 2025 Semester 1
Bachelor of Commerce at the University of Sydney
Home country: Malaysia

Supporting Your Success

Our team is committed to your successful progression to the University of Sydney through our preparation programs. Throughout your time with us, we encourage you to be brave, ask questions, and embrace every opportunity that comes your way.

Orientation
During week one, we introduce you to campus life, academic expectations, resources, and opportunities both inside and outside the classroom, aiming to facilitate a smooth transition and integration into the Tailors College Sydney community.

"We are dedicated to fostering student-centred, future-focused environments where learners are inspired to grow into successful, engaged, empathetic, and self-aware individuals ready to flourish in a dynamic, globalised world."

Rebecca James
Director of Student Success

Support
Academic support is available to students to support their learning experience and enable successful progression.

Our Learning Environment
Our campus offers a variety of vibrant spaces where students can meet, study, and connect. The Learning Spaces team is dedicated to ensuring you have all the resources and facilities required to thrive at Tailors College Sydney. They can assist you with library access, online services, group meeting rooms, study areas, and ID cards, ensuring you have everything you need for a successful academic experience.

Connect with the University
Throughout your time at Tailors College Sydney, you will have the opportunity to meet with university staff who will provide insights and tips on study and campus life at the university.

Tailors College Sydney students have the opportunity to experience activities held at the university with Progression Days and Orientation Days, where you can interact with faculty teams, explore the campus, and connect with Tailors College Sydney alumni currently studying at the university.

With Unikey, students can use the University's online library services and resources. They can also opt to join the University of Sydney Union, Sydney Uni Sport & Fitness, and get involved in clubs and societies throughout their USPP program.

University of Sydney Foundation Program (USFP)

Our University of Sydney Foundation Program (USFP) equips you with the essential academic skills and knowledge required to succeed in undergraduate study at the prestigious University of Sydney.

Communication, Collaboration and Critical Thinking

Our curriculum prioritises the development of your communication, collaboration, and critical thinking skills, closely aligned with the University of Sydney's graduate attributes. Focusing on these essential skills will prepare you to excel in your university studies.

Through an interdisciplinary approach that draws on emerging trends and real-world applications, you will develop the confidence and capability to succeed in an evolving global environment and enhance your future employability.

You will benefit from innovative teaching approaches, including active learning and student-centred strategies, designed to deepen your understanding and engagement.

These methods support the development of:

- Critical thinking and problem-solving
- Effective communication
- Collaboration and independent learning

Together, they provide a rich and engaging educational experience that prepares you for university-level study.

Course Structures: USFP Standard and Intensive Programs

We offer flexibility with two program lengths – Standard and Intensive – allowing you to tailor your learning experience based on your academic level and your chosen packaged degree at the university.

Standard Program (12 months) **CRICOS: 022310D**

A supportive and structured pathway that allows you to build your academic skills and confidence over time, ensuring a smooth transition to university.

Intensive Program (9 months) **CRICOS: 036126M**

A fast-tracked pathway for academically strong students, helping you reach university sooner without compromising on quality or outcomes.

Program Type	2027 Fee (AUD)*
Standard Program (12 months)	AUD \$49,800
Intensive Program (9 months)	AUD \$47,690

These courses will be delivered by Navitas Australia Pty Limited trading as Taylors College Sydney on behalf of The University of Sydney.
*Tuition fees shown are for 2027 intakes and subject to change for 2028. Fees do not include any non-tuition fees that may be applicable. See website for non-tuition fees – taylorssydney.edu.au/how-apply/fees

More about USFP

"My story began in 2020 when I enrolled at Taylors College Sydney as a USFP student. This pivotal experience paved the way for my academic pursuit at the University of Sydney, where I completed the Bachelor of Design Computing. Returning to Taylors College Sydney as an IT teacher feels like a natural progression."

"My familiarity with the College and its curriculum, along with my subject expertise, allows me to provide a rich and fulfilling educational experience for my students. The opportunity to form personal connections with students and guide them through their educational journey is immensely rewarding."

"Returning to Taylors College Sydney is a testament to the transformative power of education and the excellence and dedication to student success that Taylors College Sydney embodies."

Anson Chew
IT teacher,
Taylors College Sydney

"My experience at Taylors College Sydney has greatly enriched my life, providing not only a well-prepared academic pathway but also supporting my personal well-being. Through the USFP I developed essential knowledge and soft skills such as academic conventions, analytical ability and teamwork that are vital for success at university and beyond. Taylors College Sydney is also an inclusive community with a supportive student services team who are always ready to listen."

Lanlan Huang
Taylors College Sydney USFP student, now studying the Bachelor of Science majoring in Financial Mathematics and Statistics & Anatomy and Histology at the University of Sydney
Home country: China

Discover Your Pathway Business

Your launchpad into global business and future leadership

Step into the world of commerce with a pathway designed to build the skills top business degrees demand. High Achievers Preparation Program (HAPP)

CRICOS: 089556F

Our accelerated 3.5 month program is specifically designed to prepare students who narrowly missed out on direct entry to the University of Sydney. You will benefit from excellent preparation for your undergraduate studies and reach your academic goals at The University of Sydney.

HAPP is a competency-based program and will equip you to become a critical thinker, develop strong research skills, gain confidence in oral presentations, collaborate effectively in group work, enhance your self-awareness, and expand your digital literacy. These skills are essential for your success as you prepare to embark on your chosen degree journey at the University of Sydney. Progression to your chosen bachelor's degree is contingent upon successfully meeting the requirements of your preferred University degree.

Course Structure Overview:

- 4 modules over 3.5 months
- 2 compulsory modules
- Choose 2 elective modules
- When choosing modules, check the university's assumed knowledge to ensure you have the right level of knowledge for your chosen university degree
- For more information on modules please refer to the website: taylorssydney.edu.au/programs/high-achievers-preparation-program/modules

Assessment Methods

There is no final examination for HAPP as it is competency-based. Assessment of competencies is aligned with each module's learning outcomes and assessment tasks.

Award

On completion, a Certificate of Completion is issued.

HAPP Structure and Content

Available module^	Details
English	Critical reading, writing, listening and speaking
Uni Prep	Development of essential technical and academic skills, with an emphasis on referencing, research and IT skills
Two of: - Australian History - Sociology - Science Practicum - Advanced Mathematics	Refer to module descriptions Refer to module descriptions Suitable for Science/Engineering/Health Science students

^Program details are currently under review and subject to change.

Program Type	2027 Fee (AUD)*
High Achievers Preparation Program (3.5 months)	AUD \$32,240

*Tuition fees shown are for 2027 intakes and subject to change for 2028. Fees do not include any non-tuition fees that may be applicable.
See website for non-tuition fees – taylorssydney.edu.au/how-apply/fees

"Taylors College Sydney was the perfect starting point for international students like me to begin our academic journey in Australia. It helped me adapt to university life in many ways, for example, how to write and read academic papers and how to participate in debates with other students. My studies through HAPP provided me with a great kick off at university!"

Haruka Kato

*Taylors College Sydney HAPP Student,
now studying the Bachelor of International Studies
Home country: Japan*

More about HAPP

This program will be delivered by Navitas Australia Pty Limited trading as Taylors College Sydney on behalf of the University of Sydney.

Step into the *University Experience*

Students at Taylors College Sydney enjoy access to a range of selected resources and facilities at the University of Sydney, supporting their academic learning and broader campus experience.

This unique opportunity allows students to experience a world-class university environment, utilise approved study spaces and services, and begin to feel part of the university community as they prepare for their future university studies.

University of Sydney Union (USU)

Starting out in 1874 as a humble society for student debaters, USU is Australia's largest independent student-led organisation, providing a wide range of services, events, programs, facilities, and opportunities to help every student get the most out of their time at the university.

Students can join USU to access discounts and events at the university and get involved in clubs and societies throughout their USPP program.

Sydney Uni Sport & Fitness (SUSF)

Sydney Uni Sport manages and administers more than 40 sport and recreation clubs, organises sporting and recreation events and offers a comprehensive range of sporting facilities to students and the wider Sydney community.

Students at Taylors College Sydney are eligible for the undergraduate student rate and can access the facilities, classes, clubs and events offered by SUSF.

Unikey

UniKey is a personal digital account for students accessing University of Sydney online services. Whilst studying at Taylors College Sydney, students can use the University's online library services and resources with Unikey.

A day in the life of a student

The typical day in the life of a Taylors College Sydney student is filled with study, social engagement and fun activities.

8:00
Commuting to Taylors College Sydney is super easy with Taylors College Sydney conveniently located near the train station and several bus stops.

8:45
Safety is our top priority! All students and staff must present their student or staff ID to access the campus.

9:00
Kick off the day with morning classes!

11:00
Student support is available during the day. Our students can easily access assistance at Level 2.

15:00
Enjoy a break at the student common room at any time! There are multiple activities during the week organised by the Student Support & Experience Team. Check out the schedule and have some fun!

13:00
Now back to campus and start the afternoon classes with recharged energy!

Enjoy a cup of tea or coffee before the afternoon class starts!

12:00
Taylors College Sydney located in a convenient community with various restaurants and supermarkets. Students are also welcome to bring their own lunch and heat it up in the student kitchen.

16:00
The self-study area in the library provides an ideal space for students to study after classes. Additionally, our students also have access to the library at the University of Sydney.

17:00
Classes of Taylors College Sydney may be finished but there is so much more to explore in Sydney!

Student Wellbeing and Support

At Taylors College Sydney, we are committed to ensuring that your experience as a student goes beyond academic success. We strive to create an enriching and fulfilling student life where you can thrive both inside and outside the classroom.

Under-18 Support

At Taylors College Sydney, we put the safety and wellbeing of our under-18 students first. We regularly meet with them face-to-face to make sure they're settling in well and to answer any questions or concerns they may have. We join them on excursions or other events to ensure they feel supported and have a fantastic time while studying abroad.

If a student is ever absent or if we have any worries about their wellbeing, we promptly get in touch with their caregivers. We make sure our under-18 students have all the important safety information they need, like emergency contacts and details about international student insurance and healthcare services in Australia. Plus, we're here to support them with academic help and counselling whenever they face challenges during their studies.

Note: All unaccompanied under-18 student accommodation must be approved by the University. For more information on support and accommodation provided to under 18s, please visit:

- taylorssydney.edu.au/about/services-support
- taylorssydney.edu.au/about/accommodation

Scan QR to our
Under 18's Handbook Guide

Wellbeing Counsellors and Support

Our on-campus counsellors provide students with a private and safe environment for support. They offer face-to-face individual sessions and run group support sessions. In line with the University of Sydney's policies, they conduct sessions on topics such as stress, routine, sleep, managing emotions, and healthy eating. Additionally, the College is connected with local practitioners in Sydney, offering a comprehensive service by connecting students with specialised support from psychologists, doctors, and other youth support agencies. Our registered counsellors and wellbeing officers also run clubs such as: LGBTQIA+, Girls Chat and organise other social events.

Clubs, Activities and Leadership

Taylors College Sydney offers a wide range of extracurricular activities, clubs, and personal growth opportunities. Students can participate in regular events such as table tennis competitions, movie nights, barbecues, and much more. Every week, enthusiastic staff volunteer their time to run student clubs, including film, music, chess clubs, and many more.

Students looking for leadership opportunities can send their expression of interest to be part of the Student Representative Council or speak to our Student Experience Coordinator to run clubs or activities. Additionally, the Student Experience team helps connect students with local community organisations for volunteering events.

"At Taylors College Sydney, we recognise that a supportive environment is key to student success. Our dedicated Student Support team is here to help students settle into college life and feel part of a welcoming community. From orientation through to the completion of their course, the team provides guidance, wellbeing support, and opportunities to engage beyond the classroom. With a focus on both academic and personal development, we are committed to delivering an outstanding student experience that enables students to thrive."

Youn Cho

Associate Director of Student Support and Experience

Student Accommodation in Sydney

A range of accommodation options and support services are available to Taylors College Sydney students to ensure you have the best experience possible while you are away from home.

Student Residences

Across the city you will find a range of student residences, most of which provide 24-hour security. These fully furnished apartments offer you the chance to live more independently while providing communal areas and cooking facilities to share with your new friends.

Providers include:

- Iglu — Students under 18 years of age please apply for Iglu Redfern or Iglu Central here: iglu.com.au/sydney
 - Scape — Locations available for students under 18 years of age: Scape Darling Square, Scape Darling House, Scape at University of Sydney
 - UniLodge*
- * Not approved for students under the age of 18

Please note: All students travelling without an approved guardian must live in university approved accommodation and book an approved airport transfer service.

All homestay providers are approved to provide airport transfer services.

Students who require airport transfer services must book directly with the provider.

Iglu has an airport transfer service available for their students. Students are required to contact Iglu directly for this service.

Scape does not arrange airport transfers for students but transport to this location may be made with other providers offering transfer services. Students are encouraged to book airport transfers with any of the homestay providers as they offer these services.

Students over the age of 18 are also welcome to arrange airport transfers through the above providers.

Homestay

Staying with a host is a great way to immerse yourself in an Australian home environment, get to know the culture and practise your English. This option offers a safe and supportive place to live. All our hosts and their homes undergo thorough security checks before students are placed.

Providers include:

- Australian Homestay Network
- Auzzie Families Homestay Care
- Global Experience International Student Accommodation
- Study Vision

Rental Houses or Apartments

If you prefer to live in a house or apartment, there are many other rental or accommodation options close to our campus.

To search for current rental properties, visit:

- domain.com.au
- flatmatefinders.com.au
- flatmates.com.au

Approved Caregivers in New South Wales

Student welfare will always be our *highest priority*.

The University has made arrangements with the following organisations to provide caregiver services. Caregivers liaise with the school and parents, and report on academic progress or any concerns regarding health and after-hour activities. There is also a 24-hour telephone service in case of an emergency.

A Confirmation of Appropriate Accommodation and Welfare (CAAW) form will be issued when we receive notification from the nominated caregivers and we are satisfied with the accommodation and welfare arrangements:

Table notes

This table is a guide to courses and admissions criteria via the University of Sydney Preparation Programs at the University of Sydney for entry in 2028. It is correct at the time of print and may be subject to change. For the latest course information, visit the University of Sydney 'Find a Course' website: sydney.edu.au/courses

For courses that have other admissions criteria listed in addition to the GPA, including double degrees with progression requirements visit the 'Find a course' website for full details.

Refer to the intakes available for the University of Sydney courses as students must start the course of their choice in the immediate subsequent semester of completing the foundation/preparation program. A gap in the study period cannot occur.

International students on a Student Visa (Subclass 500) must remain enrolled in a CRICOS-registered course at the same or higher AQF level. A new visa is required before enrolment in a lower-level degree at the University of Sydney.

Feb - offered in the February semester (Semester 1) only.
Feb/ Aug - offered in both the February (Semester 1) or August (Semester 2) semesters

TCS260525-0101

Key to symbols

[^]HAPP students are required to note the University of Sydney assumed knowledge in making their subject selections. For more information, visit the 'Find a course' website: sydney.edu.au/courses

+Students commencing combined law degrees in Semester 2 will not be able to start the law component until Semester 1 of the following year.

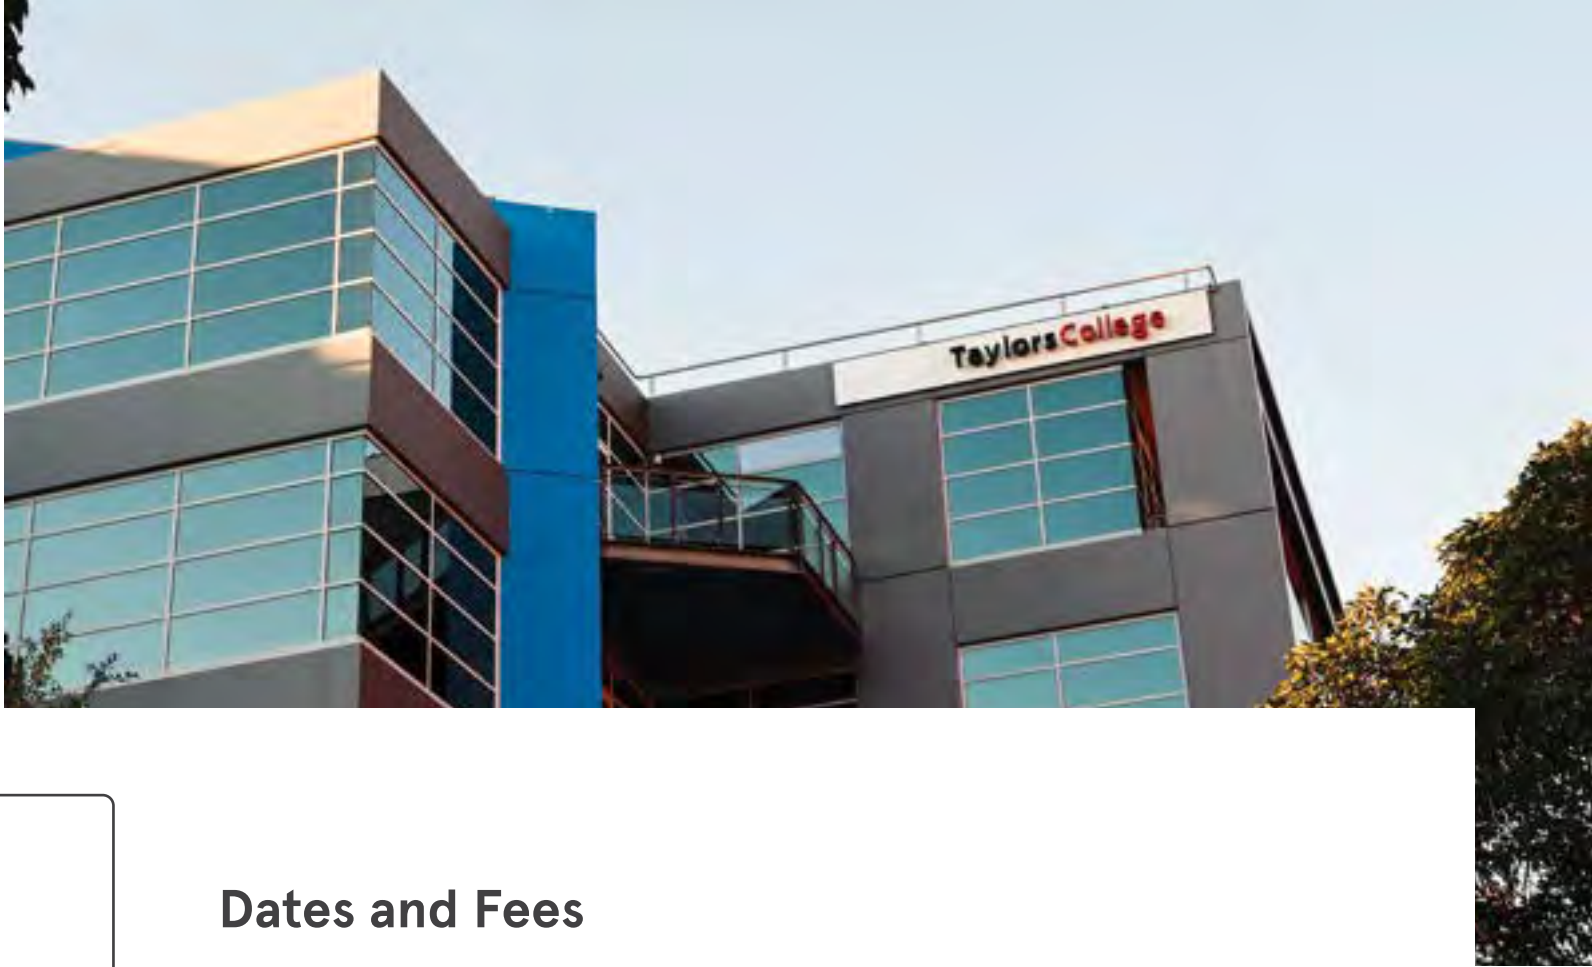

[#]Nursing pre-registration courses have English requirements set by the Australian Nursing and Midwifery Accreditation Council (ANMAC).
For details, check the English requirements on the course page - sydney.edu.au/courses

^{*}This course has inherent requirements - sydney.edu.au/students/inherent-requirements.

¹These courses have a limited number of places or the GPA listed is the minimum to be considered for an offer.
It is possible that not all students will be offered a place or be able to accept an offer once course capacity is reached or may be offered an alternative course choice.

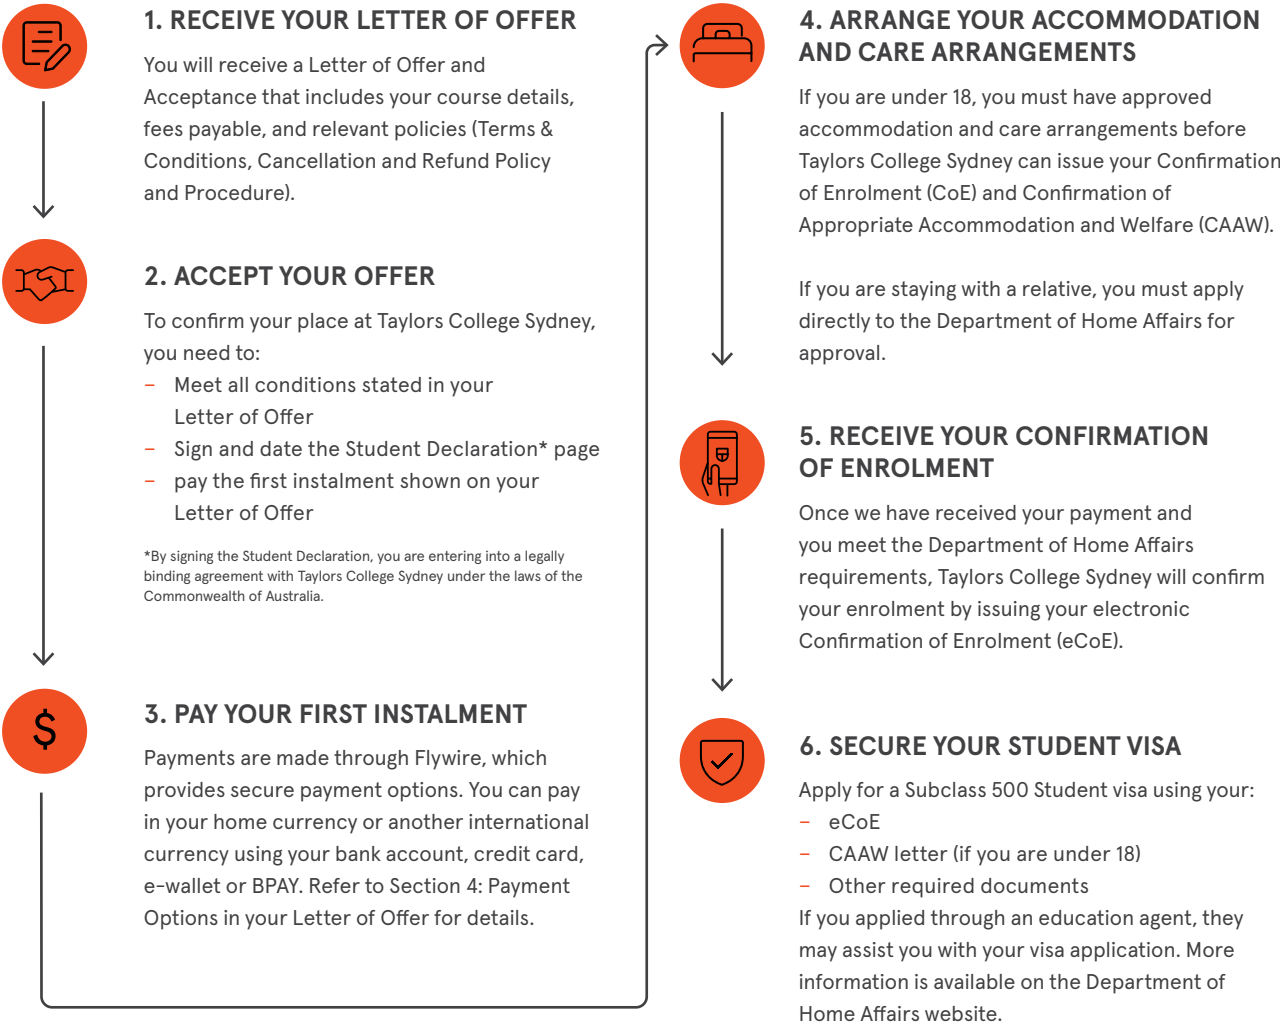

How to Apply to Taylors College Sydney

You can apply to Taylors College Sydney using our online form or through a local agent. You can start filling in the form today and save it for later if you don't have all the information available right now. You can also submit your supporting documents with your form. If you are applying through an agent, please contact them for an application form.

Apply to Taylors College Sydney

If you would like to apply to study at Taylors College Sydney, you will need to complete an application form and submit the relevant documentation. You can either apply through your local education agent or directly via our website. If you are applying directly and have a question, then a Student Enrolment Adviser will be happy to help. They speak a variety of languages and understand several more.

Dates and Fees

Intake	Tuition Fees (AUD)*	Duration	Start Date

Address: 965 Bourke St, Waterloo NSW 2017, Australia

Navitas Australia Pty Limited in providing education services to overseas students complies with the ESOS Framework and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code 2018). A description of the ESOS framework can be found at education.gov.au/esos-framework

For more information, please visit internationaleducation.gov.au

For information on immigration requirements and student visas to Australia, visit immi.homeaffairs.gov.au

Navitas Australia and Taylors College Sydney conform to the requirements of the Tuition Protection Service (TPS) established by the Australian Government for overseas students. This assures students of all USPP courses that should Taylors College Sydney be unable to fully deliver their enrolled course of study they will be offered a suitable alternative course or have their unspent pre-paid tuition fees refunded. Any course may be altered or withdrawn owing to circumstances beyond Navitas Australia's reasonable control. Such circumstances include (but are not limited to) industrial action, lack of demand, departure of key personnel, the effect of any pandemic, change in government policy, withdrawal or reduction of funding, or change of law. Navitas Australia Pty Limited will take such steps as are available to it to minimise the effect of any alteration or withdrawal of a course and we will notify the student of such alteration or withdrawal as soon as possible. Such steps may include the offer of a place on an alternative course. Further details about this service can be viewed online at tps.gov.au

Terms and conditions, student policies and guideline (including refund, complaints, and appeals policy) are available at taylorssydney.edu.au/college-policies

If you are under the age of 18, you will be supported by the campus welfare team as required by The National Code of Practice (2018), which is available at teqsa.gov.au/how-we-regulate/acts-and-standards/national-code-practice. You must also live in a homestay or designated caregiver accommodation. This can include the halls of residence on campus where available.

For more information, please visit taylorssydney.edu.au
